Remarks

Welcome home to this recently updated 3 bedroom (with an extra room that is currently being used as a bedroom), home with a basement and a garage. This home is located close to, up and coming Downtown Pontiac, within walking distance to Woodward so Woodward festivities, such as the Woodward Dream Cruise and the like can be enjoyed. This home qualifies for Downpayment Assistance grant programs with a plethora of Banks and Financial Institutions, so it's easy to get into for first time homebuyers, but could also be a great addition to an Investor's rental portfolio. Priced to sell, so schedule your showing ASAP, and get your Best Offer submitted before it's too late. IDRBNG BTVAI
